Maniowoc Public Library Building to Reopen on Wednesday, February 17

Due to the pattern of declining cases of COVID-19 throughout Maniowoc County, Maniowoc Public Library is pleased to announce we will be reopening the building to the public on February 17, 2021 at 9 AM. The Library Board would like to thank the community for their patience and flexibility during the recent peak of the pandemic.

The Library will continue to uphold safety protocols and restrictions to protect patrons and staff. These temporary changes, which are based on CDC recommendations, will be in place for the foreseeable future, although library leadership will continue to frequently reevaluate the situation. For a complete list of safety protocols, visit the Library's website: www.manitowoclibrary.org.

Safety and Hygiene Guidelines

- Wearing a mask that covers both the mouth and nose at all times is required (ages 2 and up)
- Maintain a minimum distance of 6 feet from other patrons and staff
- Do not gather/linger
- Do not enter the building if you are sick

Hours will be reduced to allow for enhanced, thorough cleaning of public areas. Hours are as follows:

- Monday-Thursday: 9 AM-6 PM
- Friday: 9 AM-4 PM
- Saturday: 9 AM-1 PM

- Sunday: Closed
