Rep. Terry Katsma Inauguration into State Assembly

Madison... Representative Terry Katsma (R-Oostburg) was sworn into office today as Assembly Republicans enter the new legislative session with the largest majority in decades. As Katsma began his official duties, he vowed to make the concerns of his constituents his highest priority.

“I am honored and proud to serve the people of the 26th Assembly District. The needs of the district are my number one priority. If you are having difficulty with a state agency, would like to voice your opinion on an issue, or have suggestions for legislation, please do not hesitate to contact my office.”

Representative Katsma also reaffirmed his commitment to protecting taxpayers, removing needless government red tape, and continuing the development of Wisconsin’s workforce.

“As we move into the new session, I will work to ensure that we remain good stewards of taxpayer dollars. I look forward to working with my colleagues to reign in the growth of government by cutting taxes and reducing spending.

“While working with many of the small businesses in my hometown during my 34 years at a community bank, I saw first-hand how excessive government regulation can easily frustrate the efforts of business owners. Removing unnecessary rules will help improve Wisconsin’s business climate.

“We must continue to provide Wisconsin’s workforce with the training and skills necessary to keep Wisconsin competitive in a global market economy. I am eager to collaborate with my colleagues as we look for more ways to invest in Wisconsin workers.”
