Lieutenant Governor Kleefisch, Senator LeMahieu and Representative Katsma Tour Area Businesses

Madison—Lieutenant Governor Rebecca Kleefisch joined State Senator Devin LeMahieu (R–Oostburg) and State Representative Terry Katsma (R–Oostburg) for a tour of two Sheboygan County businesses on Friday, March 27th.

The group visited with employees at Acuity’s headquarters in Sheboygan to learn about the insurance company’s recent growth and ongoing expansion. From Sheboygan, the group traveled to Oostburg to meet employees of Viking Masek Global Packaging Technologies—a local firm that manufactures packaging machines with applications in the food and beverage, pharmaceutical and hardware industries, to name a few.

“These firms are leaders not only in their industries but also in their communities,” said Lieutenant Governor Kleefisch. “It’s very encouraging to see the growth they have experienced and learn about their plans to sustain that growth.”

“These two companies have worked extremely hard to achieve the successes we learned about today,” explained Senator LeMahieu. “They should be proud of the accomplishments that have made them national and international leaders in their respective industries.”

“It’s very clear that both of these businesses highly value their skilled employees,” agreed Representative Katsma. “As elected officials, we need to keep doing everything in our power to enable businesses to thrive in Wisconsin and develop a skilled workforce.”
