Overturn Unconstitutional Executive Order #95 and Emergency Order #1

Mukwonago, WI—Governor Evers tripled down on another one of his unconstitutional power grabs by extending his executive order today. Rep. Cody Horlacher (R-Mukwonago) has issued the following statement in response:

“I am outraged that Gov. Evers has extended his unconstitutional order once again. I wish I could say that I am surprised, but I am not. I urged the legislature to fight this order back in July, again in September, and sadly I am continuing that call for action today. We need to stop Gov. Evers’ power grab and return our government to the rule of law.

I am calling on my Assembly legislative leaders to immediately call the Wisconsin State Assembly into session to overturn Executive Order # 95 and Emergency Order #1. We cannot sit idly by and allow this infringement on personal rights to continue.

I ran for Assembly Majority Leader because I believe our caucus needs to fight for the rights of the people of Wisconsin and stand up against Gov. Evers’ actions. Despite losing that election, I remain committed to that objective as a representative.

I ask people across Wisconsin to reach out and urge my Assembly colleagues to join me in overturning this order.

I stand ready and willing to fight this order and end this policy. ”
