## **Reasonable. Responsible. Reopen.**

Madison, WI—Today, Representative Cody Horlacher (R-Mukwonago) submitted a letter to Governor Evers along with 17 fellow Assembly Republicans calling for a reasonable, responsible, plan to reopen the Wisconsin economy.

Governor Evers has not provided Wisconsinites with a plan to reopen the economy so we have submitted this letter with a plan we have outlined. We must get serious about reasonable, responsible ways to reopen the government. Wisconsinites can no longer sustain the current situation.

We expect Governor Evers to respond to this plan and look forward to working with stakeholders and folks across the state to get Wisconsin back to work.

A copy of the letter is attached.
