Rep. Callahan Supports Border Security

[Madison, WI] –Representative Calvin Callahan (R-Tomahawk) supports a resolution to stand with Texas Governor Greg Abbott in his fight against the ongoing illegal immigration crisis at the United States-Mexico border.

“Governor Abbott has used every tool at his disposal to stem the influx of human trafficking and caused by the Biden Administration’s disastrous border policy,” Rep. Callahan stated. “I’m proud to support his bold actions to uphold the oath that he took to defend his constituents.”

Governor Abbot’s actions come after over 300,000 immigrants illegally entered into the United States via the southern border last December. In response, the federal government has sued to stop these actions. At the time of this release, 25 governors have announced that they stand in solidarity with Governor Abbott’s efforts.
