Rep. Callahan Supports Improved Health Care for Wisconsinites

[**Madison, WI**] – Representative Calvin Callahan (R-Tomahawk) voted during today’s Assembly floor session to lower prescription medication costs, protect Wisconsinites with pre-existing conditions from losing their insurance coverage, and ensure availability of vaccinators by allowing dentists to administer the COVID-19 and flu vaccines.

“As the pandemic seems to be nearing a close, health care accessibility and affordability is as important as ever,” said Rep. Callahan. “The legislation passed today will help folks in the 35th Assembly District continue to recover from the effects the pandemic has had on our area.”

Some of the legislation passed today included [Senate Bill 3](#), [Senate Bill 13](#), and [Assembly Bill 34](#). All three of these bills passed with wide bipartisan support. They now head to Governor Evers’ desk for his signature.

“I’m proud to have supported this important legislation today,” stated Rep. Callahan. “I hope the governor will support this legislation as his Democrat colleagues did this afternoon.”

###

The 35th Assembly District includes all of Lincoln County and portions of Langlade, Marathon, Oneida, and Shawano Counties.
