Rep. Dallman Visits with Local Agriculture Leaders

Madison, WI – This month, constituents who represent the agriculture community visited the Wisconsin State Capitol. Constituents advocated for various issues affecting the agriculture industry during Wisconsin Farm Bureau’s annual “Ag Day at the Capitol” and Wisconsin Future Farmers of America (FFA) celebrating National FFA Week. Rep. Dallman met with various groups to discuss these issues.

“One of my favorite times of the year is getting to meet and hear from constituents throughout the agriculture community,” said Rep. Dallman. **“Agriculture is one of Wisconsin’s biggest economic industries and I am proud to support all agriculture in our state.”**

According to Wisconsin Department of Agriculture, Trade and Consumer Protection, agriculture contributes over \$104 billion to Wisconsin’s economy annually and provides over 435,000 jobs.

Rep. Dallman poses with students from Markesan FFA in the Wisconsin Assembly Chambers.

Students from Portage FFA pose in the Wisconsin State Capitol for National FFA Week.

Rep. Dallman meets with members of the Green Lake and Marquette County Farm Bureaus during Ag Day at the Capitol.
