Public Service Veteran, Maureen McCarville sworn in for the 2025-2026 Legislative Session

MADISON, Wis. – Rep. McCarville (D-DeForest) was sworn in on January 6th at the State Capitol as the State Representative for the 42nd Assembly District. Rep. McCarville will be serving on the Veterans and Utilities committees for the 2025-2026 session. As a veteran herself and having just retired in her 40th year at Madison Gas & Electric, these committees will benefit from her passion and expertise.

Following the ceremony, Rep. McCarville released this statement:

“I am so happy to continue my work in public service. It is an honor and a privilege to serve my friends and neighbors in the 42nd district and will make sure that we all have the opportunities to not only survive but also thrive.

“This session my colleagues and I are eager to get to work for the people of Wisconsin. We have an increased presence in the State Assembly this session and will work hard to make things better for everyone.

“I am also very serious about working with my colleagues across the aisle. We need to not think about what labels divide us and instead focus on what we can get done for the hardworking people of Wisconsin.”
