Rep. Jenna Jacobson takes Oath of Office in 43rd District

STOUGHTON - On Wednesday, March 1, Representative Jenna Jacobson took the oath of office in the 43rd Assembly District at the Stoughton Public Library. Jacobson was joined by Senator Mark Spreitzer of the 15th Senate District and many local elected officials. The oath was administered by Wisconsin Supreme Court Justice Jill Karofsky, with the Pledge of Allegiance led by Corporal Allen Morris from the American Legion.

“I am grateful to be able to share this incredible moment with people from all around the district. Taking the oath with family and friends in attendance on the first day of Women’s History Month made the day even more special. I am proud to represent the people of district 43.”
