Rep. Conley Supports Reproductive Freedom

MADISON – Today, the Wisconsin State Assembly met in regular session and took up Assembly Bill 975, a 14-week abortion ban. Representative Sue Conley (D-Janesville) issued the following statement in response:

“People across our state and country have made it clear—they do not want politicians interfering in personal medical decisions. Every Wisconsinite should have the freedom to make all of their own healthcare decisions according to their health and circumstances.

“Access to medical care must be the rule, not the exception. I am thankful that Wisconsinites are once again able to access reproductive healthcare in the state, however, our fight to codify reproductive freedom must continue.”
