SEN. JANIS RINGHAND AND REP. MARK SPREITZER ANNOUNCE DNR PRESENTATION ON HIGH CAPACITY WELLS

MADISON –Today State Representative Mark Spreitzer (D-Beloit) and State Senator Janis Ringhand (D-Evansville) announced plans to co-host an informational presentation on high capacity wells on Saturday, April 11. The presentation will be given by Eric Ebersberger, Water Use Section Chief for the Department of Natural Resources. Additional time will be set aside for questions.

Presentation details:

Saturday, April 11, 2015

9:00 a.m.

Town of Beloit Fire Station

Sen. Ringhand and Rep. Spreitzer organized the presentation in response to questions from local residents about high capacity wells in the area. Residents raised questions about the permitting process for allowing a high capacity well and potential impacts on groundwater and existing residential wells. Anyone who is interested in learning more about high capacity wells and groundwater is encouraged to attend this presentation and have their questions answered.

Please contact either office with questions.
