Rep. Tranel's Statement on Fennimore Listening Session

Today, State Representative Travis Tranel (R-Cuba City) spent time traveling the 49th Assembly District, which was created when the redistricting bill [2023 Wisconsin ACT 94](#) was signed into law on February 19, 2024. Rep. Tranel released the following statement after spending time meeting with constituents and listening to what's on residents minds in Fennimore.

"We had a great afternoon in Fennimore listening to residents from all over Grant County in southwest Wisconsin. At our budget listening session with Senator Howard Marklein, a lot of people were concerned about large, industrial renewable energy projects such as wind and solar. We also touched on taxes and the surplus. We discussed school funding among the whole host of other issues. It's always wonderful when constituents come out and voice their opinions. We certainly appreciate them doing so today." – Rep. Tranel

Please feel free to contact Rep. Tranel at 608-266-1170 or Rep.Tranel@legis.wi.gov if you have any questions or comments related to state government.

The 49th Assembly District now includes all of Crawford County, the majority of Grant County, and a small portion of Vernon County.
