Rep. Jenna Jacobson Applauds Governor Evers Proclaiming 2025 The Year of the Kid

MADISON - Today, Representative Jenna Jacobson (D-Oregon) released the following statement after attending Governor Evers' State of the State address:

Governor Evers declared 2025 “The Year of the Kid,” and I am excited to partner with him to put our children first. Putting our children first includes making sure every child has safe drinking water, a fully funded public education, and access to healthy meals. It also means making sure their parents and neighbors have good jobs, affordable housing, and good roads.

The wellbeing of our children in and out of our schools is a top priority for me. Our Wisconsin values should lead our government, and I am eager to work with Governor Evers over the next two years.
