Hintz Ready to Lead Assembly Democrats

MADISON – Today, Representative Gordon Hintz (D-Oshkosh) is putting himself forward to serve as leader for the Wisconsin Assembly Democratic Caucus. Rep. Hintz released the following statement:

“I would like to thank Representative Barca for steering our caucus through challenging years while being a steadfast advocate for working families. I’m humbled by the words of encouragement and support I have received from my colleagues and citizens across the state of Wisconsin. Democrats are a diverse, big tent party shaped by our unique experiences and perspectives. As a group, we have always believed in the values of community, fairness, and opportunity. As leader, I will work every day to contrast these core Democratic values with a Republican Party that has never been more unpopular than it is now.”
