**Statement on AB 415 Assembly Floor Vote**

MADISON – Today, the State Assembly voted on an amended version of Assembly Bill 415, a map that legislative Republicans altered to protect their incumbents. Rep. Lori Palmeri (D-54) released the following statement:

“At every turn, Legislative Republicans have tried to undermine our democracy and cement their power. This eleventh hour attempt to pass a map is their latest ploy to maintain their illegitimate majorities and protect their incumbents. This is not the first time legislative republicans have attempted to pass self-serving legislation in the dark of night without public input,” stated Rep. Palmeri.

“The “compromise” presented today is not the fair and transparent redistricting process Wisconsin voters deserve. The attempt to pass a map with no advanced notice or opportunity for public input should set off alarm bells for us all.

“I will continue to fight until the will of the people is accurately represented in our state.”
