**Rep. Lori Palmeri Recognizes UW-Oshkosh Gymnastics for National Championship Win**

MADISON - Yesterday, Rep. Palmeri passed her first piece of legislation, Assembly Joint Resolution 31, which recognized the University of Wisconsin-Oshkosh Women's Gymnastics team on winning the National Collegiate Gymnastics Association (NCGA) 2023 National Championship. Rep. Palmeri released the following statement:

"I was honored to be able to host the University of Wisconsin-Oshkosh Women's Gymnastics team at the capitol along with Senator Feyen and Representative Schraa. I was able to speak with the team and learn about their diverse educational interests and the careers they hope to have after they graduate.

"On March 25, 2023, the UW-Oshkosh Titans Women's Gymnastics posted a score of 192.525 at the National Championship competition at Winona State University, earning the program's sixth overall championship, its fourth in the NCGA and its second-consecutive NCGA title.

"Several UWO Gymnastics team members also earned individual national awards and honors including Freshman Reanna McGibboney, who led the Titans with two All-America awards in floor exercise and vault; Sophomore Mia Lucero, who earned an All-America medal in vault; Senior Trinity Sawyer, who earned an All-America medal in uneven bars; Freshman Lydia Hayden, who earned an All-America medal on balance beam; and Junior Emily Buffington whose all-around performance and scores earned her an All-America medal and Seniors Adana Amor, Haley Volstad and Kennedy Springer who were all named NCGA Academic All-Americans.

"Again, I want to congratulate the UW-Oshkosh gymnastics team for their championship win and also thank the team for taking time out of their busy schedules to come down to the capitol and be recognized."
