REP. SNODGRASS STATEMENT ON INTRODUCTION OF COVID-19 RESPONSE LEGISLATION

MADISON - Today, Assembly Democrats announced comprehensive legislation to address the COVID-19 pandemic throughout Wisconsin.

Rep. Snodgrass (D-57) issued the following statement:

“There can be no more waiting for action on providing help to Wisconsinites impacted by the hardships of COVID-19. I am proud to join my new colleagues today as we hit the ground running by introducing legislation to combat the COVID-19 pandemic here in Wisconsin on day one of the 2021 legislative session. While running for office, over and over again I heard from individuals, families, healthcare workers, and businesses struggling with continued access to affordable healthcare, workplace safety, and economic security. I am grateful to be part of reasonable and necessary solutions. Let’s take action.”

Rep. Snodgrass represents the 57th Assembly District, which includes Appleton, Fox Crossing and Menasha.
