Rep. Jerry O'Connor Votes for Historic Investments and Largest Tax Cut in Wisconsin History

Madison- Rep. Jerry O'Connor (R-Fond du Lac) issues the following statement in support of the Legislature's biennial state budget bill:

"Yesterday the Wisconsin Assembly passed the Republican's 2023-25 budget that includes historic investments in road construction, child care, and education, and tax relief that will benefit all of Wisconsin. The Republicans' budget includes \$1.5 billion for building transportation infrastructure, \$1 billion more for K-12 schools, and \$93 million for child care.

The Republican budget also includes a historic \$4.4 billion in tax relief. I am proud to support the historic tax relief package that includes \$3.5 billion in income tax relief and over \$600 million in reduced property taxes. Legislative Republicans are committed to reducing the tax burden for all Wisconsinites and are returning the state's surplus to its rightful owners- the taxpayer."
