### **Kerkman Welcomes Advent Tool & Manufacturing to Salem Lakes**

Madison – Representative Samantha Kerkman (R-Salem Lakes) is pleased to welcome Advent Tool & Manufacturing to Salem Lakes. The relocation of the business headquarters and production operations to Salem Lakes from Antioch, IL was [announced](#) earlier today.

“I am excited to have another great company join the Kenosha County economic boom,” said Rep. Kerkman. “Over the last decade, state lawmakers and the previous administration made it a priority to foster an economic environment that would attract and retain business. The Salem Business Park is a fantastic location; congratulations and welcome home, Advent Tool & Manufacturing.”

Rep. Kerkman thanks the Wisconsin Economic Development Corporation (WEDC), the Kenosha Area Business Alliance (KABA), the Milwaukee 7, and all the local officials for their work in making this happen.
