Brighten the Life of a Disabled or Elder Adult

Do you enjoy helping others? Can you make personal decisions for adults who are unable to make their own decisions? If you said yes, then become a Volunteer Guardian!

Volunteer guardians play an important role in the life of an at-risk elder or disabled adult. They are needed when adults can no longer make important life decisions for themselves.

You will make health and welfare decisions and advocate for adults who can no longer make decisions for themselves. Your compassion and caring will provide a loving and nurturing relationship for both of you.

We'll train, then match you with an elder or disabled adult to become their legal guardian. You'll be appointed by the court after thorough screening and training.

On-going support and assistance is just a phone call away.

In just a couple of hours a month, *you* can make a tremendous impact in the life of an at-risk adult. Make an impact, get involved NOW!
