Bill Signing Celebration to Honor our Veterans

Madison- State Representative Jesse James (R-Altoona) would like to extend an invitation to a bill signing celebration. On November 21, 2019, Governor Evers signed Senate Bill 142 into law, becoming Wisconsin Act 47.

"I am honored to have my first bill signed into law. I wanted to go to Madison to help our citizens, and make a difference, and this bill does just that." said Representative James. "I appreciate everyone who helped work on this legislation, including my counterpart Senator Dale Kooyenga (R-Brookfield), for the hard work he put into getting this bill signed into law."

The purpose of this event is to recognize the people who assisted and supported Representative James on this bill. Several members of the Chippewa Valley came to Madison and provided testimony in support of this bill during its public hearing in the Assembly. Proponents included numerous veterans, and for some it was their first time visiting the Capitol. "I am humbled and honored to serve our Wisconsin veterans, and provide them certainty when obtaining their education after they serve."

The event will be held on December 13, 2019, at 10:30am on the campus of the Northern Wisconsin Center, at Klein Hall, 2820 East Park Avenue, Chippewa Falls, Wisconsin 54729. If you have any questions please contact Representative James via email at Rep.James@legis.wisconsin.gov or via telephone (608) 266-9172.
