## **Rep. Hurd Announces Thorp Office Hours**

**MADISON** – Representative Karen Hurd (R-Withee) will be holding in-district office hours on Monday, April 14<sup>th</sup>, from 9:30 to 11:00 a.m. at the Thorpedo Family Restaurant in Thorp. These meetings allow constituents to meet one-on-one or in family groups to discuss issues important to them with Representative Hurd. Residents of the 69<sup>th</sup> Assembly District who would like to meet with the representative during these office hours are asked to contact her Capitol office at (608) 237-9169 to schedule a 10-minute appointment. Appointments are first-come, first-served.

“After the great feedback from constituents in Loyal, Athens, and Medford earlier this year, I look forward to more great conversations in Thorp,” said Rep. Hurd. “Hearing directly from the people I represent allows me to be a more effective advocate on their behalf.”

Additional office hours are being planned around the district. Details will be announced on Rep. Hurd’s social media pages and in her weekly e-update once they are finalized. To sign up for her e-update, you can visit [www.rephurd.com](http://www.rephurd.com).
