## Representative Rozar Statement on State of the State Address

**Madison...** From her West gallery seat to accommodate social distancing, State Representative Donna Rozar (R-Marshfield) joined Assembly Republicans to view the Governor's virtual State of the State Address followed by Speaker Vos' Republican Assembly response. Following the Address, she issued the following statement.

"Governor Evers stated he wants to invest \$200 million into Broadband expansion. While I am in full support of Broadband expansion, it will be a challenge to find \$200 million in this budget. Additionally, the definition of "rural" needs to be addressed to ensure the money goes to the areas that need access to affordable Broadband the most.

"I am disappointed with how the Evers' administration responded to the massive backlog of Unemployment Insurance claims early on in the pandemic. Tens of thousands of families and individuals were forced to go without benefits or even an answer to their call or application from the state for months."

Representative Rozar would like to note that both Addresses can be found unfiltered in their entirety at [wiseye.org/2021/01/12/2021-state-of-the-state-address/](https://www.wiseye.org/2021/01/12/2021-state-of-the-state-address/).
