**Rep. Shankland: Statement on Events in Washington D.C.**

STEVENS POINT- Rep. Katrina Shankland (D- Stevens Point) released the following statement regarding today's events in Washington D.C.

"I am disturbed, angered, and horrified by what is unfolding today in our nation's capital. It is inexcusable and reprehensible for these individuals to disrupt the certification of our presidential election by inciting violence and terrorizing those at the U.S. Capitol and in the surrounding area. Those responsible, as well as those who have incited and emboldened them, must be held fully accountable. This is a dark day for our democracy."
