## **Rep. Green Statement on the State of the State Address**

**Madison** - Representative Chanz Green (R-Grandview) issued the following statement about the governor's annual State of the State address before a joint session of the Wisconsin State Legislature on Tuesday night.

"Wisconsin has made a lot of progress, but there is still work to be done. As I was listening to the governor tonight, he addressed a broad spectrum of concerns, all of which affect Wisconsinites," said Rep. Green.

"I hope we can address these issues in a fiscally responsible manner that ensures Northern Wisconsin gets what it needs to prosper in the future."
