

Lisa Subeck

STATE REPRESENTATIVE

Dear neighbor,

I hope you and your family are staying safe and healthy during these unprecedented times. Even as we physically distance ourselves from others in our community, we are all in this together. By taking aggressive actions regarding social distancing, we slow the spread of COVID-19 and give our hospitals and healthcare professionals the very best chance to save lives. During this time, we all need access to the most accurate and up-to-date information about how to protect ourselves, our neighbors, and our community. On the reverse side of this card, you will find resources that I hope will be helpful to you.

My staff and I are here for you. We are practicing the same social distancing measures we have asked of you so we are not physically in our office, but we will continue answering your phone calls and emails and providing you with resources and information from your state government. Please do not hesitate to contact us with your questions, comments, and concerns.

Sincerely,

Lisa Subeck

State Representative
78th Assembly District (608) 266-7521
