## **Rep. Lisa Subeck: Statement on Planned Parenthood Announcement that Abortion Services will Resume in Wisconsin**

MADISON – Today, Planned Parenthood of Wisconsin announced that due to a ruling in the Dane County Circuit Court that Wisconsin Statute 940.04 applies to feticide and does not prohibit consensual medical abortions, they will be resuming abortion services in the state. Representative Lisa Subeck released the following statement.

“I am thrilled that Wisconsinites will once again have access to abortion services without being forced to travel out of state. This restores the ability of patients, in consultation with their physicians, to make their own decisions when facing an unintended or untenable pregnancy.

If the last year has shown us anything, it is that our freedom to make our own reproductive health care decisions is fragile and must be protected. That is why I will continue working to pass the Restore Roe Act and other measures to ensure our reproductive freedom into the future.”

Rep. Subeck has represented the 78th Assembly District since 2015 and serves as Chair of the Assembly Democratic Caucus.
