REP. POPE TAKES OATH FOR EIGHTH TERM IN STATE ASSEMBLY

MADISON –Representative Sondy Pope (D-Mt. Horeb) took the oath of office today after being elected to the Wisconsin State Assembly for the eighth time. Rep. Pope represents the 80th Assembly district and has been selected to continue her primary role as the ranking member on the Assembly Committee on Education and will also serve as the ranking member on the newly created Committee on Government Accountability & Oversight. In addition, Rep. Pope will also serve on the Corrections, Consumer Protections and Rules Committees.

“It is an honor and a privilege to be given another opportunity to represent the people of the 80th Assembly District. I look forward to being a progressive voice at the Capitol that represents the needs and values of the district and I hope to tackle issues such as supporting K-12 public education and rebuilding Wisconsin middle class. I take my role as a Representative seriously, and will continue to work tirelessly to ensure the voices of my constituents are heard in Madison.”

“I invite constituents in my district to share their opinions on any and all issues and proposals they feel passionate about,” Rep. Pope said. “Civic engagement by citizens is an important, yet often forgotten facet of representative government. Hearing concerns from people in the district from different parties and backgrounds will give me the information I need to best represent them.”
