### **Rep. Considine on the 2023 State of Education Address**

**Madison** – Today, State Superintendent Dr. Jill Underly delivered her third State of Education Address. Rep. Dave Considine (D-Baraboo) issued the following statement on her remarks:

“I am encouraged by State Superintendent Underly’s vision for public education in Wisconsin. Her request for us to choose hope instead of destruction is powerful. I am committed to be hopeful as we work to strengthen public schools in the Wisconsin Legislature, for our diverse and multicultural kids and communities.

“We cannot give up hope when facing divisive rhetoric about our schools. It is essential that we find ways to move forward. Our state has the opportunity to invest in public education. I will continue to advocate for this important investment, which inspired me to run for this office initially. We can improve when we work together.”
