Governor Tony Evers
Office of the Governor
115 East, State Capitol
Madison, WI 53702

Dear Governor Evers,

Yesterday, Mayor Rick Petfalski of the City of Muskego wrote to you requesting flood assistance for:

- Assistance with the cleanup of residential storm and flood debris
- Assistance with the removal of debris from our lakes, streams, and creeks
- Resources to prevent further strain on our Public Works Department so they may continue addressing critical emergency repairs to public infrastructure such as roads, ditches, culverts, and storm water management systems

We respectfully request that aid be given to the City of Muskego as requested by Mayor Petfalski from the National Guard for these purposes so that the Muskego Public Works Department may concentrate on rebuilding roads and infrastructure. Wisconsinites in Waukesha County and the City of Muskego in particular are appreciative of your concern and practical application of your promise to assist all who are suffering the effects of this destructive flooding.

Sincerely,
