Medford Tree Farm Provides 2019 State Capitol Christmas Tree

The 30-foot balsam fir was supplied by Meyer's Castle Tree Farm

MADISON – Representative James Edming (R-Glen Flora) is proud to announce that the 2019 State Capitol Christmas Tree is from Meyer's Castle Tree Farm in Medford. The 30-foot balsam fir was delivered to the State Capitol prior to Thanksgiving by Prochnow Trucking of Medford and is currently the center of attention inside the Capitol rotunda.

"I am honored that this year's State Capitol Christmas Tree is from the 87th Assembly District," said Rep. Edming. "Each year, folks from around Wisconsin travel to Madison to take in the wonderful Christmas decorations around the Capitol. I am excited that the centerpiece of these decorations, the State Capitol Christmas Tree, was provided by some of the hardworking people I represent."

Today, the official tree lighting ceremony was held at the Capitol. Both the Medford High School Concert Choir and Medford's Take Note Acapella Group performed during the ceremony. The tree will remain on display at the Capitol through the New Year.
