Representative Goyke and Representative McGuire Appointed to the Joint Finance Committee

Madison, Wisc. – Representative John Macco (R-Ledgeview) released the following statement regarding the re-appointment of Representative Evan Goyke and the appointment of Representative Tip McGuire to the Joint Finance Committee:

“I would like to congratulate my colleagues Representative Goyke and Representative McGuire on their appointments to the Joint Finance Committee. I enjoy working alongside these dedicated, creative thinkers. I served with Representative Goyke on the retirement task force to strengthen financial security for Wisconsin workers. As Chairman of the Ways and Means Committee, I collaborated with Representative McGuire sharing the common goal of fiscally responsible tax policy.”

“The notion that partisan bickering is the norm is a false narrative. At least in my committees, we work together professionally and honorably for all of the people of Wisconsin. We may have a different plan on how to get there, but we share a common goal of a better Wisconsin. President Reagan, who had a very productive working relationship with Speaker Tip O’Neill always reminded us that democrats are our rivals, not our arch enemies.”

“As we enter the upcoming session, I look forward to working with Joint Finance to advance that common goal of a better Wisconsin.”
