## **Representative Macco Statement on Abortion Legislation**

**Madison, Wisc.** – Representative John Macco (R-Ledgeview) released the following statement on the legislation introduced today to restrict abortions after 14 weeks.

“In 2015, I voted to prohibit abortions after 20 weeks,” said Rep. Macco. “This vote was challenging, but I made it knowing that it saved the lives of 89 children. I am supporting today’s legislation for the same reason – it will save lives.”

“Abortion is a profound tragedy and I would hope that no one would consider it as an option. However, as Representative of the 88<sup>th</sup> Assembly District, my first and most important responsibility is to be the voice of my constituents. When I sent out my 2023-24 Budget Survey last spring, 87% of respondents stated they support reasonable restrictions on abortion. By bringing Wisconsin in line with the European standard, this bill establishes the reasonable restrictions my constituents support.”
