Jingle All the Way

From my family to yours, we wish you all a Merry Christmas! It is the most wonderful time of the year with plenty of joy from Christmas decorations lighting the streets, carolers roaming about, brightly wrapped presents under the tree, churches filled, and of course, we cannot forget about the great food served at our Christmas celebrations.

Hopefully, after a successful deer hunt this season venison will be served in all sorts and forms ranging from venison steak to venison jerky to summer sausage if you have been able to get your meat processed and did not freeze all the meat. There is always a great story behind a successful hunt whether it be your child's first, or simply with your family members that you hunt with year after year where the ones that got away somehow get larger every year.

Winter and the holiday season is always the best time of year as we catch up with those we may not see as often, exchange gifts, and laugh with one another. Many of us have family traditions that have been going on for generations and this year we will continue to pass them on.

As we travel to spend time with our loved ones, remember to be cautious driving with the recent snow and ice across Wisconsin and other states. Be prepared with winter essentials such as winter coats, hats, gloves, and blankets to keep warm as well as jumper cables, some snacks, a first aid kit, windshield scraper, extra windshield washer fluid and even a cell phone car charger to make sure that if you are in a bad situation that help can be called.

Please do not forget about all those who are not able to be with us as we celebrate the birth of Christ. Many of our loved ones are serving our nation as they are defending our freedom and others are looking down smiling upon us. I wish you all a Merry Christmas!

As always, feel free to contact my office with questions, comments, or concerns.
