My Committee Assignments

What a year it has been, but we finally made it to 2021. While there is still more work to be done in improving upon 2020, I thought I would take a moment and share with you what committees I have been appointed to as well as some of my priorities for the upcoming legislative session.

As many of you know, last session I served as the Chairman for the Assembly Committee on Consumer Protection. While I was able to learn a lot about the different aspects of technology, novelty products and many other issues that impact consumers, I am honored to be the new Chair of the Assembly Committee on Sporting Heritage.

My district has many rich traditions like hunting, fishing and trapping. I feel that one of the most important tasks this committee may take up is how to continue to promote these traditions to the next generation of sportsmen and women.

Additionally, I will now sit on the Assembly Committee on Aging and Long-Term Care, Agriculture, Children and Families, Forestry, Parks and Outdoor Recreation, Housing and Real Estate, and Rural Development. I am very happy to be on a diverse group of committees that help create a well-rounded Wisconsin. To be a part of that process makes our district stronger.

As I have in the past, I will continue to provide updates on important committee work and bills that will impact you.

As always, feel free to contact my office with questions, comments, or concerns at Rep.Pronschinske@legis.wi.gov.
