Finishing Strong

The 2023-2024 legislative session has been a busy one. This session we have addressed budgetary concerns, tax issues, various road improvements, wildlife maintenance problems, and other legislative affairs. We are nearing the end of this legislative session so everyone is getting their last pushes for bills, hearings, and meetings. It is an increasingly hectic time.

We have introduced over 1,000 bills this legislative session. This is an absurd amount of bills, but it demonstrates the amount of passion that exists within the walls of the Wisconsin State Capitol from legislators, constituents, and Wisconsinites alike.

On top of these onslaught of bills, the Wisconsin Assembly has 45 standing committees. These committees range from topics such as Agriculture and Criminal Justice, to State Affairs and Sporting Heritage. These committees help address the concerns of legislators and constituents alike. Each bill that is introduced is designated to a committee within the Wisconsin State Assembly. This is an important part of the legislative process.

I personally chair a committee and sit on five other committees. I chair the Assembly Committee on Sporting Heritage. I sit on the Assembly Committee on Local Government, the Assembly Committee on Children and Families, the Assembly Committee on Housing and Real Estate, the Assembly Committee on Consumer Protection, and the Assembly Committee on Forestry, Parks, and Outdoor Recreation. These are all very important committees chaired by various other representatives.

As I mentioned previously, this is a very turbulent and chaotic time at the Wisconsin State Capitol. Senators and Representatives are trying to make their case about why their bill matters more than the bill of the person next to them. I am excited to finish this session strong!

As always, if you have any questions, comments, or concerns please feel free to reach to my office at Rep.Pronschinske@legis.wi.gov.
