Listening to Your Concerns

This past Friday, I was able to hold listening sessions throughout the 92nd Assembly District on the proposed budget. I was joined by the Vice Co-Chair of the Joint Committee on Finance, Representative Amy Loudenberg (R-31). She was a great asset to our district and was able to explain the process of the budget and provide insight in regard to the Joint Committee on Finance's stance on many of the topics relating to rural Wisconsin.

We began our budget listening session tour in Black River Falls at the City Hall. We had many questions relating to libraries, Medicaid, lack of childcare, and school funding.

After listening to concerns in Black River Falls, we traveled to the Riverland Energy Co-operative in Arcadia who welcomed us to host our second listening session.

Lastly, we headed over to the Town of Cross Town Hall. This location had a beautiful, brand new facility to host our final budget listening session of the day. We had a great turnout where we were able to discuss many different budget topics including school milk choices, transportation funding, and many other important issues.

I want to thank all of the constituents that came and voiced their opinions, Rep. Loudenberg and her staff for making the long trip up to the district, and the facilities that hosted my budget listening sessions.

As always, feel free to contact my office with questions, comments, or concerns.
