## **Pronschinske Comment on Governor Evers' Budget**

MADISON – State Representative Treig Pronschinske (Mondovi) made his statement on Governor Evers' Budget address on Thursday February 28<sup>th</sup>.

“Governor Evers has made his speech for his budget and it is time that we work together to address the issues facing our state and find long term solutions for these problems. The important thing with the end product of our budget is we need a well-rounded Wisconsin and great opportunities in the 92<sup>nd</sup> district and I will keep my commitment to fight for these things.”
