National Dairy Month

June is National Dairy Month, and to celebrate, farmers across the state host dairy breakfasts to showcase their industry and share their heritage with the community.

As this is the most recent data we have, according to the 2017 *Contribution of Agriculture to the Wisconsin Economy*, Wisconsin's agriculture industry contributed \$104.8 billion to industrial revenues as well as provided over 435,700 jobs. This a huge impact on not only Wisconsin's economy, but worldwide.

This year, there will be two dairy breakfasts held in the 92nd Assembly District. There will be a dairy breakfast held in Buffalo County and Trempealeau County. In addition, there are numerous dairy breakfasts held across the region like in Pepin County on June 12th, Pierce County on June 19th, and La Crosse County on June 19th as well. For more information regarding all dairy breakfasts across the state, please visit <https://www.wisconsinmilk.org/national-dairy-month/Dairy-Breakfasts>.

The first breakfast will be held on June 12th from 6 to 11 a.m. at Maliszewski Dairy located at N32153 Wisconsin Highway 93, Arcadia, Wisconsin. For more information regarding the event, please visit their Facebook page named "Trempealeau County Dairy Breakfast" or at the link to their Facebook page: <https://www.facebook.com/events/509424000229011/>.

Buffalo County's dairy breakfast will be hosted by Sendelbach Dairy on June 26th from 7 to 11 a.m. located at W737 Hesch Valley Road, Waumandee, Wisconsin. For more information regarding this event, please feel free to visit the following link: <https://www.wisconsinmilk.org/National-Dairy-Month/Dairy-Breakfasts/Detail?eventId=185>.

Farmers are the backbone of our households and provide 24/7 so that we can feed our families. We owe it to them to know what their experience is like.

As always, feel free to contact my office with questions, comments, or concerns at Rep.Pronschinske@legis.wi.gov.
