Rep. Billings Sworn in to State Assembly

MADISON – This week, the members of the State Legislature and the State Constitutional Officers were sworn into office in Madison.

“It is an honor to be sworn in for this term in the State Assembly and also be chosen by my caucus colleagues to serve in Leadership as the Democratic Caucus Vice-Chair.”

“I look forward to entering the new session as part of a disciplined caucus, working hard for the people of Wisconsin and upholding the Governor’s Veto.”

“I am going forward with optimism in this new session that the Legislature will work together to address important issues like PFAs, education, affordable healthcare, and returning some of the surplus to taxpayers.”

“I look forward to continuing to serve on the State Building Commission, as Ranking Member on the Assembly Committee on Children and Families, and returning to the Assembly Committee on Tourism as Ranking Member.”
