## **Rogue election officials ignored laws**

Rep. Allen (R-Waukesha) released the following statement regarding the lawsuit filed today by President Trump and his campaign:

President Trump has every right to file suit regarding the conduct of the Wisconsin elections. Unfortunately, a handful of rogue election officials have caused rightful skepticism of the legitimacy of the 2020 election.

The Wisconsin Elections Commission (WEC) and clerks in Dane and Milwaukee Counties willfully disregarded the law. Wisconsin citizens are being disenfranchised and their lawful votes diluted.

The claims in President Trump's lawsuit are well-founded. Basic protections in the clear letter of the law, written to ensure ballot security and prevent fraud and abuse, were ignored. The allegations are targeted, specific, and readily demonstrable in court.

Although this course of action does not fit the media narrative, for the sake of election integrity, the so-called certified results must be challenged.
