## Education Committee hears bill on school funding

Madison, WI—The Assembly Education Committee heard [AB 305](#) yesterday, relating to school funding. Rep. Duchow released the following statement:

I'm proud to support parents, kids, and ideas that work. We heard from dozens of students and experts in the Parental Choice Program today and the Special Needs Scholarship Program. Lives have been impacted, and future family trees will be transformed because of these investments. I'd especially like to thank Donna Bembenek, President of Catholic Memorial High School, for providing testimony. The increase in funding will go to the vast majority of schools, public and choice, to fulfill their missions.
