OMNIBUS BUDGET MOTION

Full Medicaid Expansion

Motion:

Move to amend Motion #5 to remove from the list of items to be removed from the budget, the Full Medicaid Expansion budget item (p. 165, #3 of the LFB Summary of the Governor's Budget), thereby retaining full expansion for consideration by the Committee.

Note:

The bill would increase the medical assistance program income eligibility thresholds for adults to 133% of the federal poverty line, which would make the state eligible for enhanced federal matching funds associated with full Medicaid expansion. The bill would reduce GPR funding by $324,484,900 GPR over the biennium and increase federal funding by $1,065,246,900 over the biennium to reflect the effect of expanding coverage and using enhanced federal matching funds to reduce state GPR expenditures for childless adults currently covered under the program.

Motion #5 would exclude the full Medicaid expansion item from further consideration by the Committee, which has the biennial fiscal effect of increasing biennial GPR funding by $324,484,900 and decrease biennial federal funding by $1,065,246,900 (change to bill and base).

This motion would amend Motion #5 to keep full Medicaid expansion as an item for consideration by the Committee. The removal of the full Medicaid expansion item from the list of excluded items would change the fiscal effect of Motion #5, specifically a reduction of $324,484,900 GPR and an increase of $1,065,246,900 FED. This motion has no fiscal effect relative to the base or bill. Instead, the fiscal change to the base and bill would depend on a subsequent decision by the Committee on full Medicaid expansion.

[Change to Motion #5: -$324,484,900 GPR and $1,065,246,900 FED]
