PUBLIC SERVICE COMMISSION -- DEPARTMENTWIDE AND ENERGY PROGRAMS

Wholesale Merchant Plant Contract Limit

Motion:

Move to delete the three-year contract limit for sale of wholesale electricity on an ongoing and uninterrupted basis by a merchant plant that has a financial interest in a utility to that utility. Utilities would still be required to receive approval from the Commission to operate a wholesale merchant plant and the Commission would retain the authority to regulate sale of electricity by a wholesale merchant plant to a utility.

Note:

This motion would incorporate LRBb0271/P1.
