Move to adopt the following provisions:

1. *Civil Legal Assistance Grant Program (Paper #110)*. Further, it would provide an additional \$500,000 FED annually from TANF and expand the legal services for which grants may be used to include cases involving evictions; repeal the \$75,000 annual maximum award amount any program can receive; and repeal provisions that permit the Department of Children and Families to distribute unspent TANF funds that had previously been allocated for other purposes to WisTAF.
2. *Capitol Police Cameras (Paper #111)*. Adopt Alternative 1, which would provide \$50,000 PR annually to purchase body-worn cameras and store camera footage for the Division of Capitol Police.

6. *Affordable Workforce Housing Grants (Paper #115)*. Authorize DOA to establish eligibility requirements and program guidelines for the program.

11. *Homeless Case Management Services (Paper #120)*. Adopt Alternative 1, to provide an additional \$500,000 PR annually for the homeless case management services program; increase the annual limit on grants from \$50,000 to \$75,000 per recipient; and eliminate the statutory restriction that limits the program to 10 grants per year.

*Application Procedure.* Create a continuing appropriation and provide \$9,099,000 in 2021-22 and \$12,132,000 in 2022-23 for assistance to households. Specify that a household may apply for assistance through a county department, local governmental agency, or private nonprofit organization with which DOA contracts, using a form prescribed by DOA. Authorize DOA to reduce payments or suspend the processing of applications if, by February 1 of any year, the number of households applying for assistance exceeds the number anticipated.

*Eligibility.* Specify that to be eligible for assistance, a household must consist of an individual or group living together as a single economic unit whose household income does not exceed 60% of the statewide median income.
