Full Medicaid Expansion

Motion:

Move to increase the income eligibility threshold under MA for parents and caretakers from 100% of the federal poverty level (FPL) to 133% of the FPL. Include "childless adults" in the list of eligibility categories for BadgerCare Plus. Define a childless adult, for the purposes of MA eligibility, as an individual who: (a) is an adult under the age of 65; (b) has family income that does not exceed 133% of the FPL; and (c) is not otherwise eligible for MA or Medicare.

Require DHS to comply with all federal requirements to qualify for the highest available enhanced federal medical assistance percentage and to submit any amendment to the state medical assistance plan, request for a waiver of federal Medicaid law, or other approval request required by the federal government to do so. Repeal current law provisions related to childless adult eligibility through federal waiver authority. Require DHS to submit any necessary request to the federal Department of Health and Human Services to modify or withdraw from the childless adult demonstration project to reflect the incorporation of childless adults into BadgerCare Plus. Repeal a current law provision that prevents DHS from expanding MA program eligibility to qualify for enhanced federal matching funds under the Affordable Care Act (ACA). Specify that these provisions take effect on July 1, 2021.

Adjust funding for MA benefits funding and MA administration as shown in the following table. The GPR funding change re
