

# Q1 Which of the following best describes your view on workforce housing?

Answered: 98 Skipped: 0

ANSWER CHOICES	RESPONSES	
I support workforce housing, with smaller lots and higher density in my community.	17.35%	17
I support fewer requirements by local governments as it relates to design, architecture, and lot size, in community.	17.35%	17
I support increased funding through TIF and TID districts (low-interest loans) to help developers with infrastructure projects, in my community.	6.12%	6
Additional workforce housing is unnecessary in my community and will adequately address the housing shortage.	5.10%	5
Government subsidized housing (rent assistance) is a more effective tool for reducing housing costs.	3.06%	3
There is no need for additional workforce housing in my community. We should let the free-market dictate rents, prices, and valuations	43.88%	43
Other (please specify)	7.14%	7
