April 18, 2000

Joint Finance Committee  
Representative Cloyd Porter  
State Capitol  
P.O. Box 8953  
Madison, WI 53708-8953

Dear Representative Porter,

The Town Board of the Town of Randall supports the efforts of Kenosha County to obtain a grant for the purchase of land for a park in the western part of the County.

The proposed park would have many uses such as: boating, fishing, swimming, hiking, skiing, picnicking and sport fields. The development of this park would be of great value to our residents.

Sincerely,

Phyllis Kaskin  
Town Clerk
