Dear Representatives:

Re: Stewardship Grant Project
Kenosha County Meyer Material Property Acquisition

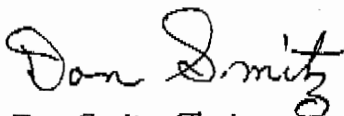

We have not taken any formal action regarding the proposed acquisition of the Meyer Material property by Kenosha County and the plan to develop a county park. However, informally, this has been a matter of a great deal of discussion, all favorable.

The Town Board of Wheatland believes this to be an excellent use of the property. Future area residents will profit from the long-range planning that has prompted this proposal. The development of a park on the west end will benefit this area tremendously.

Formal action on a resolution voicing our approval of this proposal is anticipated for the April 24, 2000 Town Board Meeting. A copy of the resolution will be forwarded.

Thank you for your attention regarding this proposal. If there is a question, please contact me at 262.537.4340 (office) or 262.539.2908 (home).

Yours truly,

Don Smitz, Chairman
Town of Wheatland
